## NEW TITLES FROM SOME FAVORITE AUTHORS

Fall is the perfect time of year to curl up with a good suspenseful novel! The library has three new titles by three favorite authors:

Terri Blackstock has penned another page turner with *Predator*. It is a fast read that delves into the dangers of online social networking.

Brandilyn Collins latest novel *Deceit* features a female bounty hunter and lives up to her trademark Seatbelt Suspense!

Linda Hall's latest addition to her *Whisper Lake Series*, *Critical Impact*, tells the terrifying events that occur when disaster strikes a small town.

Take time from your busy schedule to stop by the library and check out one of these page turners. Just don't forget to leave the lights on!

## DEBUT NOVEL!

Cary Lynn James debut novel, *Love On A Dime*, book 1 in her *Ladies of Summerhill Series* is available in the library. This is a delightful historical novel by an author who is sure to become one of your favorites. Stop by the library and check it out!

## Pumpkin Festival Book Nook

Can you believe another year has passed and it is time to get ready for The Pumpkin Festival? The Book Nook shelves are totally empty! It is going to take a lot of titles to fill them up and I'm hoping you can help me out. Please look around your house for any used books: paperbacks, hardbacks, childrens, adults, books on tape, etc., that you would be willing to donate. It is for a great cause and just think of all the room you'll have for new titles! Make sure you tell all your friends and relatives as well. Donations will be accepted beginning 3 October. Leave books in Wesley Hall. Thanks in advance!!!!

## THANK YOU

Special thanks to Don and Carolejean Reynolds for the stack of books they donated to the library. Look for *The Rise of Lakewood Church* and *Joel Osteen* by Richard Young and *Under God* by Toby Mac and Michael Tait. Thanks for helping to S-T-R-E-T-C-H our library budget!
