Invitation to John (Short-Term Disciple)
Leaders: Carolyn Specht / Sue Black

The invitation from Christ is: "Come and see, Follow me". Experience the magnificent passages in John including the I am statements (I am the truth, the life and the way, I am the living water and more). Revisit stories only told in John's gospel including Nicodemus, Mary Magdalene and the raising of Lazarus. During the weekly video segments, travel into the scripture as you hear the Word, experience the grand artwork connected with each story and interview the scholar. Each week wraps up with a small group discussion on video to spark your own conversation. Participants for this Invitation to John do not have to have an in-depth knowledge of the Bible to enjoy and benefit from participation. Reading just two chapters of John a week, they will discover the life altering stories that will invite them to follow Christ as true disciples.

The Case for Christ / The Case for Faith
Leader: Wendee Perceful

Teacher? Revolutionary? Messiah? Son of God? Who is Jesus of Nazareth? In the award-winning book **The Case for Christ**, Lee Stobel uses his experience as a tough-minded reporter to investigate history's most controversial figure. Knowing that the credibility of a story hinges on facts, Stobel challenges scholars to back up opinions with compelling evidence and cogent arguments in order to put the case for Christ to the test.

The Five Love Languages
Leader: Brian & Becka Ellis

Are you and your spouse speaking the same language? While love is a many splendored thing, it is sometimes a very confusing thing, too. And as people come in all varieties, shapes, and sizes, so do their choices of personal expressions of love. But more often than not, the giver and the receiver express love in two different ways. This can lead to misunderstanding, quarrels, and even divorce. Quality Time, Words of Affirmation, Gifts, Acts of Service, and Physical Touch. Dr. Gary Chapman identifies five basic languages of love and then guides couples towards a better understanding of their unique languages of love. Learn to speak and understand your mate's love language, and in no time you will be able to effectively love and truly feel loved in return.
